Research Brief
Cognitive Behavioral Therapy for Fluid Control in Hemodialysis Patients, (1)37
Comparison of Sampling Methods for Obtaining Accurate Coagulation Values in Hemodialysis Patients with Heparinized Central Venous Catheters, (6)632
Effect of One Leg Crossed Over the Other at the Knee on Blood Pressure in Hypertensive Patients, (3)325
The Impact of Increased Blood Flow Rates on Recirculation in Central Venous Hemodialysis Catheters, (6)639

Research in Nephrology Nursing
Cognitive Behavioral Therapy for Fluid Control in Hemodialysis Patients, (1)37
Effect of One Leg Crossed Over the Other at the Knee on Blood Pressure in Hypertensive Patients, (3)325
Health Care Management Strategies for Long-Term Dialysis Survivors, (4)385
Informal and Incidental Learning with Patients Who Use Continuous Ambulatory Peritoneal Dialysis, (3)313
Nephrology Nurse-Patient Relationships in the Outpatient Dialysis Setting, (3)295
Sources of Uncertainty and Coping Strategies Used by Family Members of Individuals Living With End Stage Renal Disease, (4)411

Vascular Access
Case Study: Antiphospholipid Antibodies and Hemodialysis Vascular Access Thrombosis, (3)346
Comparison of Sampling Methods for Obtaining Accurate Coagulation Values in Hemodialysis Patients with Heparinized Central Venous Catheters, (6) 632
Journal Club: Keeping Up with the Latest Abstracts in Vascular Access from the Nephrology Viewpoint, (3)350
The Impact of Increased Blood Flow Rates on Recirculation in Central Venous Hemodialysis Catheters, (6) 639

FIRST CLASS.
OUR TALENTS. OUR CARE.

At Scott & White, there's a reason we're number one in customer satisfaction. In fact, there are more than 7,000 highly-motivated, friendly and professional reasons we continue to be the leader. And we're always looking for more. Join us.

Hemodialysis
- Nurse Practitioner
- RNs
- LVNs

We offer ADN to BSN and Master's programs on campus for those looking to advance their careers and educational opportunities. Please check out our website for scholarships that are available to our employees.

As one of the nation's largest integrated healthcare systems, Scott & White is a 515-physician, multi-specialty clinic and a 453-bed teaching hospital. Here you'll enjoy the cutting edge resources of a nationally recognized center for excellence set amidst the relaxed and friendly atmosphere of Central Texas. And you'll find affordable housing, no state income tax and a small-town warmth that is unique to the Lone Star state.

For consideration, please forward your resume to: **Scott & White, Human Resources, 2401 S. 31st Street, Temple, TX 76508 or fax to: (254) 724-1631.** EOE.

S&W SCOTT & WHITE
